WHO CARE FOR THEIR COMPLEXION

SKIN.

has a wonderful influence over the skin, but this is a fact known to medical men who have given much of their time to the study of diseases of the skin. No one can have a clear and fair complexion, unmixed with blotches or pimples, who is very neryous. Whatever tends to a healthful condition of the nervous system always beautifies the complexion and removes roughness and dryness of the skin. me skin-discuses are not attended by visible signs on the surface, but an intolerable itching that

- Dr. C. W. BENSON'S new remedy, SKIN-CUBE, is received by the public with great confidence, and it is regarded as a very generous act on the Doctor's part to make known and prepare for general use his valuable and favorite prescription for the treat-ment of skin-diseases, after having devoted almost ment of skin-diseases, after having devoted almost his entire life to the study and treatment of nervous and skin diseases, in which he took great delight. He was for a number of years physician in charge of the Maryland Infirmary on Dermatology, and anything from his hands is at once accepted as methority and valuable. The remedy is fully the article to attack the disease, both internally, through the blood, and externally through the absorbents, and is the only reliable and rational mode. screents, and is the only reliable and rational mode of treatment. These preparations are only put up for general use after having been used by the Doc-tor in his private practice for years with the great-est success, and they fully merit the confidence of es of sufferers from skin diseases."
